Outline

The Equitable Neighborhoods Initiative (ENI) equips communities to address the pandemic-related issues of today while building capacity to deal with the health and quality of life challenges of tomorrow. ENI connects neighborhoods to resources to improve health equity and the development of each community.

Fifteen Alabama communities have partnered with the Equitable Neighborhoods Initiative. ENI communities are dedicated to growing equity and improving health outcomes in their neighborhoods.

This Alabama Health Resource Directory provides an overview of some of the health and healthcare resources available to residents of Alabama. This is a living document and should be updated as needed.

Veteran Health Resources

ALABAMA DEPARTMENT OF VETERANS AFFAIRS (ADVA)

The Alabama Department of Veterans Affairs (ADVA) has veterans service offices located throughout Alabama to assist veterans, their dependents, and survivors in the application and processing of claims for benefits and entitlements available from the U.S. Department of Veterans Affairs and the benefits provided for veterans by law from the State of Alabama.

The ADVA can assist with applications for compensation and pensions, appeals on VA decisions, filing for survivor's death benefits, applying for aid and benefits, certification of claim documents, requests for military service records, upgrading military discharges, and applying for special veteran license plates.

ADVA veterans service officers are also accredited to perform claims actions by nationally chartered veterans service organizations including the American Legion, American Ex-Prisoners of War, Fleet Reserve Association, and Blinded Veterans Association.

Home and Community-Based Services

These programs serve a variety of targeted populations, such as people with intellectual or developmental disabilities, physical disabilities, and/or mental illnesses. Services ensure that these populations have access to the benefits of community-based living and receive care in the most integrated settings.

CHILDREN'S OF ALABAMA – PSYCHIATRIC INTAKE RESPONSE CENTER

The Psychiatric Intake Response Center (PIRC) is a confidential phone response center linking adult callers to mental health resources for children and teens. Licensed mental health professionals provide support, education and recommend the most appropriate treatment options to callers. The PIRC does not schedule appointments or place children in residential facilities but does provide behavioral health information.

PATIENT ASSISTANCE PROGRAMS

Numerous patient assistance programs (PAP) are available to help those that are underinsured afford medications. These programs provide discounts on medication or may cover the full cost of prescriptions.

NeedyMeds

The free NeedyMeds Drug Discount Card allows patients to save up to 80% off the cash price of your prescription. Use the NeedyMeds pharmacy finder to help you locate the 65,000-plus pharmacies nationwide that accept the NeedyMeds Drug Discount Card. The app also has a drug pricing tool so you will know the estimated price of the drug when you pick it up at the pharmacy. There are no income, insurance, age, or residency requirements for the program.
