## Outline

The Equitable Neighborhoods Initiative (ENI) equips communities to address the pandemic-related issues of today while building capacity to deal with the health and quality of life challenges of tomorrow. ENI connects neighborhoods to resources to improve health equity and the development of each community.

Twenty Alabama communities have partnered with the Equitable Neighborhoods Initiative. ENI communities are dedicated to growing equity and improving health outcomes in their neighborhoods.

This MOWA Band of Choctaw Indians Health Resource Directory provides an overview of some of the health and healthcare resources available to members of the tribe & residents of Mobile & Washington counties. This is a living document and should be updated as needed.
