

Equitable Neighborhoods Initiative

Goal #1	Goal #2	Goal #3
<p>Be better prepared to address COVID-19 or similar pandemic outbreaks in the future.</p>	<p>Address the significant medical concerns of Goodwater residents. These chronic conditions were exacerbated by COVID-19.</p>	<p>Improve access to healthcare & health education services. COVID-19 highlighted the need for accessible, local healthcare options.</p>
<p>Action Steps:</p> <ul style="list-style-type: none"> • Focus Advisory Group on pandemic preparedness • Share reliable pandemic information through Advisory Group • Disseminate ENI Health Resource Directory • Incorporate pandemic preparedness into health fairs & programs 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Host annual health fairs aimed at addressing chronic medical conditions and improving access to preventative care; particularly focus on major health concerns like high blood pressure and breast, prostate, & colon cancer • Follow up on health fair screenings to provide referrals for continued care 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Sponsor regular community health fairs & make them an ongoing event • Partner with churches to transport residents to healthcare providers in neighboring communities using church vehicles
<p>Responsible Party: ENI Goodwater Advisory Group</p>	<p>Responsible Party: ENI Goodwater Advisory Group, area healthcare partners</p>	<p>Responsible Party: ENI Goodwater Advisory Group, area churches</p>
<p>Timeline: Immediately</p>	<p>Timeline: within 3 months</p>	<p>Timeline: within 12 months</p>
