

Equitable Neighborhoods Initiative

Goal #1	Goal #2	Goal #3
<p>Be better prepared to address COVID-19 or similar pandemic outbreaks in the future.</p>	<p>Increase access to professional, affordable medical services, especially for significant chronic medical conditions. These chronic conditions were exacerbated by COVID-19.</p>	<p>Improve community health recreation facilities to encourage use by all community residents. All facilities must be available and accessible to all age groups and people with disabilities.</p>
<p>Action Steps:</p> <ul style="list-style-type: none"> • Focus Advisory Group on pandemic preparedness • Share reliable pandemic information through Advisory Group • Disseminate ENI Health Resource Directory • Incorporate pandemic preparedness into health fairs & programs 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Sponsor annual health fairs and make them ongoing community events • Fully utilize & promote the LaFayette-Chambers Co. Community Wellness Center to residents • Provide diet/nutrition and health education classes for the community in partnership with Extension • Encourage use of existing City-County transportation van through marketing & promotion efforts 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Identify & contact potential health recreation funders regarding grant assistance • Prepare grant proposals to secure funding for health recreation facilities • Construct & maintain a healing zone at an existing park facility • Construct or renovate an existing building for use as a community center as a site for programs to improve health and wellbeing
