Outline

The Equitable Neighborhoods Initiative (ENI) equips communities to address the pandemic-related issues of today while building capacity to deal with the health and quality of life challenges of tomorrow. ENI connects neighborhoods to resources to improve health equity and the development of each community.

Twenty Alabama communities have partnered with the Equitable Neighborhoods Initiative. ENI communities are dedicated to growing equity and improving health outcomes in their neighborhoods.

This Lamar County Alabama Health Resource Directory provides an overview of some of the health and healthcare resources available to residents of Lamar County Alabama. This is a living document and should be updated as needed.

Lamar County Alabama Health Resources

LAMAR COUNTY HEALTH DEPARTMENT

The Lamar County Department of Health offers clinical care to the public, providing services including vaccinations, STD testing, family planning services and breast and cervical cancer screening. The Department of Health also coordinates with outside agencies to provide qualifying patients with WIC, home health services, occupational therapy, speech and language pathology, physical therapy, and medical social services. Copies of birth, death, marriage, and divorce certificates can also be obtained at this Department of Health.

Interpretive services are available.

Walk-ins & appointments are welcome.

This clinic accepts Medicare, Medicaid, VA and Tricare, Blue Cross Blue Shield, and other private insurance. This is a healthcare center funded by the federal government. This means even if you have no insurance, you can be covered.
