

Equitable Neighborhoods Initiative

Goal #1	Goal #2	Goal #3
<p>Be better prepared to address COVID-19 or similar pandemic outbreaks in the future.</p>	<p>Improve access to professional mental health services. Existing mental health challenges in the area increased due to COVID-19.</p>	<p>Address the significant chronic medical conditions of residents. These chronic conditions were exacerbated by COVID-19.</p>
<p>Action Steps:</p> <ul style="list-style-type: none"> • Focus Advisory Group on pandemic preparedness • Share reliable pandemic information through Advisory Group • Disseminate ENI Health Resource Directory • Incorporate pandemic preparedness into health fairs & programs 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Include available mental health services in ENI health resource directory; ensure ongoing maintenance of directory • Contact AL Department of Mental Health concerning possible assistance and services for the tribe • Identify possible transportation options for tribal members needing mental health services 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Utilize annual community health fairs to screen for chronic medical conditions such as high blood pressure and cancers • Follow up health fair screening findings with referrals to appropriate healthcare providers • Work with area churches to utilize church vans for medical-related transportation • Improving community diet as a way of improving health. Work with restaurants and Coffee Co. Extension to provide healthy eating workshops
<p>Responsible Party: ENI Advisory Group</p>	<p>Responsible Party: ENI Advisory Group, potential transportation partners, AL Dept. of Mental Health</p>	<p>Responsible Party: ENI Advisory Group, area churches, Coffee County Extension, area restaurants</p>
<p>Timeline: Immediately</p>	<p>Timeline: 6 months</p>	<p>Timeline: 6 months</p>
