

Equitable Neighborhoods Initiative

Goal #1	Goal #2	Goal #3
<p>Better prepare to address COVID-19 or similar pandemic outbreaks in the future.</p>	<p>Improve access to professional healthcare services. COVID-19 highlighted the need for accessible, local healthcare options.</p>	<p>Address the significant medical concerns of Pittsview residents. These chronic conditions were exacerbated by COVID-19.</p>
<p>Action Steps:</p> <ul style="list-style-type: none"> • Focus Advisory Group on pandemic preparedness • Share reliable pandemic information through Advisory Group • Disseminate ENI Health Resource Directory • Incorporate pandemic preparedness into health fairs & programs 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Sponsor regular community health fairs & make them an ongoing event • Partner with churches to transport residents to healthcare providers in neighboring communities using church vehicles • Seek to establish regular “Saturday Clinics” on a recurring, regular schedule 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Establish regular health fairs aimed at addressing chronic medical conditions and improving access to preventative care • Promote healthy eating to improve chronic health conditions using the community garden at the Pittsview ENI healing zone site • Provide community fitness facilities; begin by promoting use of the fitness equipment at the ENI Pittsview healing zone site
<p>Responsible Party: ENI Pittsview Advisory Group</p>	<p>Responsible Party: ENI Pittsview Advisory Group, healthcare partners, area churches</p>	<p>Responsible Party: ENI Pittsview Advisory Group, healthcare partners</p>
