

Equitable Neighborhoods Initiative

Goal #1	Goal #2	Goal #3	Goal #4
<p>Be better prepared to address COVID-19 or similar pandemic outbreaks in the future.</p>	<p>Improve access to professional mental health services. Existing mental health challenges increased due to COVID-19.</p>	<p>Address lack of knowledge of existing health resources among community residents.</p>	<p>Address significant, chronic medical conditions. These conditions were exacerbated due to COVID-19.</p>
<p>Action Steps:</p> <ul style="list-style-type: none"> • Focus Advisory Group on pandemic preparedness • Share reliable pandemic information through Advisory Group • Disseminate ENI Health Resource Directory • Incorporate pandemic preparedness into health fairs & programs 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Include mental health services in ENI health resource directory • Contact AL Dept. of Mental Health regarding potential services & resources • Establish transportation options to mental health service providers • Work to create long-term, ongoing training & educational programs for mental health awareness & treatment options 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Prepare & maintain ENI Prichard health resource directory; distribute widely in person and online • Partner with community groups to distribute & share updates to the directory • Make Prichard residents aware of the services offered by the Family Center 	<p>Action Steps:</p> <ul style="list-style-type: none"> • Utilize annual health fairs to screen for chronic health conditions • Follow up health fair screenings with referrals to appropriate healthcare providers • Work with area churches to use their vans to transport residents to healthcare providers • Improve community eating habits; contact Mobile Co. Extension about nutrition education workshops
